

Garnishment Laws & Filing and Response Deadlines Have Changed

All changes were effective July 1, 2010

House Substitute for Senate Bill 234 made major changes in the way earnings garnishments are calculated and answered, requiring a complete overhaul of the entire Wage Garnishment form.

House Bill 2656 changed filing and response deadlines in over 200 statutes, in addition to other important changes to certain civil procedures. As a result, we made significant changes to a number of forms, including the Summons for both Chapter 60 & Chapter 61.

MANY FORMS ON YOUR PROGRAM ARE NOW OUT-OF-DATE!

This change affects the following NDF Electronic Forms Programs:

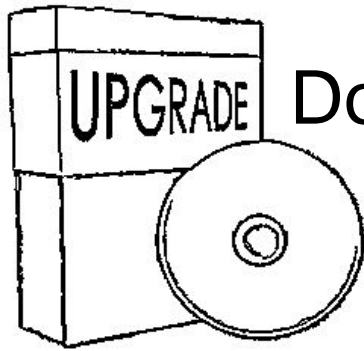

- ★ Civil
- ★ District Court Clerk
- ★ Ch. 60 & 61 Debt Collection
